STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.

Graduating penalties begin with the year 1894.

THE COUNTY TAX COLLECTOR WILL SELL AT PUBLIC AUCTION all property delinquent for the taxes of 1912, on or about June 30th, 1918, at the County Tax Collector's office, Court House, San Diego.

Property deeded to the State for delinquent taxes for the years prior to 1912 may be sold by the County Tax Collector at any time upon authorization of the State Controller.

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.

Property deeded to the State for delinquent taxes for the years prior to 1914 may be sold by the County Tax Collector at any time upon authorization of the State Controller.

Section 3612 of Political Code, as approved May the 6th, 1919, directs that all claims for

Soldiers' and Sailors' Exemptions

must be made between the First Monday in MARCH and the First Monday in JULY of each year; otherwise, such claims can not be allowed.

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.

Property deeded to the State for delinquent taxes for the years prior to 1915 may be sold by the County Tax Collector at any time upon authorization of the State Controller.

Section 3612 of Political Code, as approved May the 6th, 1919, directs that all claims for

Soldiers' and Sailors' Exemptions

must be made between the First Monday in MARCH and the First Monday in JULY of each year; otherwise, such claims can not be allowed.

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.

Property deeded to the State for delinquent taxes for the years prior to 1916 may be sold by the County Tax Collector at any time upon authorization of the State Controller.

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.

Section 3612 of Political Code, as approved May the 6th, 1919, directs that all claims for

Soldiers' and Sailors' Exemptions

must be made between the First Monday in MARCH and the First Monday in JULY of each year; otherwise, such claims can not be allowed.

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.

Soldiers' and Sailors' Exemptions

must be made between the First Monday in MARCH and the First Monday in JULY of each year; otherwise, such claims can not be allowed.

TAX PAYERS' GUIDE

STATE AND COUNTY TAXES BECOME A LIEN on all taxable property at noon on the first Monday in March of each year.

TAX-PAYERS MUST FILE STATEMENT WITH COUNTY ASSESSOR of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

THE COUNTY BOARD OF EQUALIZATION MEETS on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

UNSECURED PERSONAL PROPERTY TAXES BECOME DUE AND PAYABLE on demand, to the County Assessor on the first Monday in March of each year.

THE STATE AND COUNTY TAX RATE is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

TAXES ON REAL ESTATE AND PERSONAL PROPERTY ASSESSED WITH REAL ESTATE BECOME DUE AND PAYABLE to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

PENALTIES ARE APPLIED to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

THE DELINQUENT ROLL IS PUBLISHED on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

PROPERTY MAY BE REDEEMED at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.

The County Board of Equalization Meets on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

Unsecured Personal Property Taxes Become Due and Payable on demand, to the County Assessor on the first Monday in March of each year.

The State and County Tax Rate is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

Taxes on Real Estate and Personal Property Assessed with Real Estate Become Due and Payable to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

Penalties are Applied to all unpaid taxes as follows: Fifteen per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

The Delinquent Roll is Published on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

Property May be Redeemed at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.
45% Penalty for fourth year to July 1st.
